

## HEALTH & SAFETY POLICY STATEMENT

It is the policy of Keeling & Walker Limited to provide robust control of all health and safety risks arising from our work activities.

To this end Keeling & Walker Limited is committed to:

- preventing accidents and cases of work-related ill health
- maintaining safe and healthy working conditions
- providing and maintaining safe plant and equipment by the use of best practices
- ensuring materials and substances are stored, handled and used safely
- consulting with employees on matters affecting their health and safety
- providing information, instruction and supervision for employees
- ensuring all employees are competent to do their tasks, and giving them adequate training
- complying with all applicable legal requirements

Continual improvement is an essential part of health & safety management, and is driven by the establishing and reviewing of objectives set through continual review of health & safety issues.

This health & safety policy is a critical part of the business policies of Keeling & Walker Limited, therefore its continuing suitability will be regularly reviewed.
